A FIVE-DAY WORKSHOP

ON

ACTIVITY BASED LANGUAGE TEACHING: Intermediate Level

Curriculum Development and Use of ICT for Language Teaching

(16th - 20th April, 2016)

Organized by

**Department of Basic Sciences,
Humanities and Social Sciences
UCEV, JNTUK, Vizianagaram**

ABOUT THE COLLEGE:

Jawaharlal Nehru Technological University Kakinada (JNTUK) was formed in the year 2008 under the Act No. 30 of 2008, Government of Andhra Pradesh. As a constituent college of the JNTU (K), the University College of Engineering Vizianagaram (UCEV, JNTUK), has been playing a significant role since its inception in imparting Technical Education in the state of Andhra Pradesh. JNTUK, UCEV offers seven UG programmes (B. Tech) viz., EEE, ME, ECE, CE, CSE, IT, MET, five M. Tech programmes and an MCA. The college has risen to fame in a short span of time due to the availability of a highly motivated teaching staff, top notch infrastructure, and placements to the outgoing students.

ABOUT THE DEPARTMENT:

The Department of Basic Sciences, Humanities and Social Sciences consists of Mathematics, Physics, Chemistry, English and Commerce sub-departments. All these serve as basic building blocks for all the engineering departments in the university. The academic and research activities in diversified fields taken up by the members of the department are commendable. The Department of English, a sub-department of BS & HSS, is putting in its best efforts to improve the communication skills of students in addition to supporting the Placement Cell with in-house training activities.

ABOUT THE WORKSHOP:

As part of its Skill Development – Train the Trainer Programmes, JNTUK-UCEV offers workshops to help the teachers hone and upgrade their language teaching - training abilities so as to meet the language requirements of their students. ABLT-II workshop is the second spell of the series of workshops conducted by JNTUK UCEV. As it is in continuation of ABLT-I, is assumed that the teacher participants are familiar with basics of ELT and teaching LSRW skills.

The second spell, **Activity Based Language Teaching: Intermediate Level** shall be conducted for FIVE DAYS (one week). The same 30 teacher-participants are to attend the advanced level workshop in the month of June, 2016. **ABLT: Intermediate Level focuses on Curriculum Development and Use of ICT** for Language Teaching. It will be conducted for FIVE DAYS (one week). The major objectives of this workshop are:

- To introduce the teachers to Curriculum Development & Syllabus designing
- To expose them to the concept of ICT in Language Classrooms
- To enhance their understanding on Designing tasks and use of Supplementary material
- To design a course and instructional techniques
- To develop assessment rubrics and give constructive feedback
