

About the conference :

The primary objective of this conference is to exchange knowledge among researchers, practicing engineers, technologists about the state of art in advance materials and their applications. Motivating academicians, young scientists, budding technologists and entrepreneurs in these fields to enrich their knowledge by interacting with their peers in their respective areas is a prime goal of the conference. The conference will be attended by research students, academicians, personnel from Industry and R&D and manufacturers of various machineries and test equipment.

Thrust areas of the conference :

- Nano structured materials and technology
- Metals, alloys and steels
- Powder metallurgy
- Ceramic and composite materials
- Building and construction materials
- Polymer and environmental friendly materials
- New energy and chemical materials
- Electronic materials
- Bio materials
- Magnetic materials
- Semi-conducting materials
- Recent developments in Metallurgical processes
- Mechanical Processes
- Modeling and simulation of materials and devices in ferrous and non-ferrous industry
- Microstructures, properties and Characterization of metals and alloys
- Coating and surface engineering in metallurgical industry
- Material applications in automobiles, electrical and electronics, steel and chemical Industries
- Wear and tribology
- Materials for Nuclear energy.
- Materials, processes and applications for sustainable development.
- Welding and joining of advance materials
- Mechanical behavior of materials
- Creep, fatigue and fracture of materials
- Material forming and machining of materials
- Computational methods in metallurgical and material processes.
- Automation in metallurgical processes
- Technology transfer
- System analysis and system engineering
- Any other relevant area

Chief Patron :

Prof. V.S.S.Kumar, Vice-Chancellor, JNTUK

Patrons :

Prof. V.V.Subba Rao, Registrar, JNTUK

Prof. K. V. Ramana, OSD, JNTUK

Prof. V.Sreenivasulu, Principal, UCEV, JNTUK

Prof. Ch. Satyanarayana, DAP, JNTUK

Chairman :

Prof. G. Swami Naidu, Vice-Principal & Head of Metallurgical Engg, UCEV, JNTUK.

International Advisory committee:

Prof. K. Prasada Rao, University of Utah, USA

Call for Abstracts:

Abstracts of research/technical papers (no literature based papers) followed by full length paper related to the conference topics are invited. After screening by the reviewers, the acceptance of the abstracts will be communicated to the participants by email for the submission of full paper.

Guidelines for submission:

The abstract of the paper must be about 300 words in MS-WORD format. Appropriate title, name(s) of the author(s), their affiliation(s), corresponding author email id and phone number should be provided. Name of the presenting author must be underlined. Different affiliation of the authors should be indicated by suitable superscripts. Use only Times New Roman font of size 12 and maintain line spacing of 1.5 points. The format for the full length paper will be sent to the Participants email id along with abstract acceptance notification. The abstract should be submitted by email to icammp2018@gmail.com

Publications:

All the accepted abstracts will be published in the conference Souvenir, a copy of which will be given to each participant. All the accepted papers will be published in SCOPUS and / or SCIE indexed journals.

Awards:

Awards will be given for the best technical paper and for the best oral presentation / best poster in each session.

Important dates:

Abstract submission deadline	: 15th October, 2017
Acceptance of abstract	: 25th October, 2017
Full paper submission deadline	: 30th November, 2017
Early bird registration	: 30th November, 2017
Acceptance of full paper	: 31st January, 2018
Conference dates	: 30th and 31st March, 2018

Registration :

The participants should register by sending duly filled in registration form along with registration fee on or before 30th November 2017.

INTERNATIONAL CONFERENCE ON ADVANCED MATERIALS AND MANUFACTURING PROCESSES (ICAMMP - 2018)

30th and 31st March, 2018

**UNIVERSITY COLLEGE OF ENGINEERING VIZIANAGARAM
JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY KAKINADA**
In Association with
IIM VIZAG CHAPTER

Category	Registration Fee			
	Early-Bird Registration		Late Registration	
	Participant from India	Participant from abroad	Participant from India	Participant from abroad

About J N T U K College of Engineering, Vizianagaram : The college is established in the year 2007 as a constituent college of JNTU Hyderabad. Due to rapid expansion that has gone by in the field of technical education in Andhra Pradesh, the University, named JNTU Kakinada came into existence from 20th August 2008 and the JNTU College of Engineering Vizianagaram has become the constituent college of JNTU Kakinada. The college has made rapid strides since its formation and playing a pivotal role in the technological advances of the region. The college is offering under graduate programmes in Metallurgical Engineering, Mechanical Engineering, EEE, ECE, CSE, IT and Civil Engineering. Post graduate programmes are also introduced in various disciplines. The college is located at about six kilometers distance from Vizianagaram bus stand on a hill area in about 102 acres

About the Department : Established in the year 2011, the Department of Metallurgical Engineering has been one of the premier centers of excellence in the field of Metallurgical Engineering. It offers quality technical education in B.Tech. (Metallurgical Materials Engineering), M.Tech. program in Materials Science and Technology, and Ph.D Programme. The department is equipped with advanced laboratories to foster research and practical expertise in areas related to Metallurgical and Materials engineering. Though it is a young department, eminent faculty members of this department have been tremendously contributing to impart knowledge to the young minds to meet the societal needs. The research areas of the department comprises in areas such as metal forming, composite materials, heat treatment, ferro alloy technology, mechanical behavior of materials and corrosion.

About The Indian Institute of Metals : The Institute was inaugurated by the hon'ble Dr. Shyama Prasad Mukherjee, Minister for Industry and Supply on Monday, 29th December 1947 at the Royal Asiatic Society Hall, Calcutta. Sri Jahangir J. Gandhi became the first President and Dr. Dara P. Antia the first Honorary Secretary of the Institute. Since then the growth of the Institute has been phenomenal. Starting with a modest membership of 42, the IIM Membership now (1999) stands more than 10,000 drawn from various fields of metallurgical activity. Membership requirements are rigid to maintain the highest professional standards. The Institute has grown into a reputed Institution devoted to promotion and advancement in the study, practice and research of Metallurgical Science and Technology. The Indian Institute of Metals is now recognized throughout the world as one of the premier metallurgical organizations. The student chapter at JNTUK College of Engineering, Vizianagaram is attached to the Visakhapatnam chapter and actively organizing a number of events of metallurgical importance.

About Vizianagaram : Vizianagaram is the main city of the Vizianagaram District of North Eastern Andhra Pradesh in Southern India. An important centre for commerce and education, the city is located 18 km inland from the Bay of Bengal and 42 km to the northeast of Visakhapatnam. The climate of Vizianagaram is characterized by high humidity nearly all the year round, with oppressive summers and good seasonal rainfall. 500 Years of glorious past and rich cultural heritage made Vizianagaram the cultural capital of Andhra Pradesh. Many eminent personalities have added new dimensions of glory to Vizianagaram. The social reformer, Sri Gurajada, the Poet singer Sri Adibhatla Narayana Das, the great wrestler Kodi Rma Murthy, the imaginative poet Sri Devulapalli Krishna Sastry were associated, the divine singers Gantasala and Suseela who were the proud students of Maharaja College of Music added indescribable grace to the art of singing. The nearest airport is in Visakhapatnam which is about 62km from Vizianagaram.
