Branch Specialization	M. Tech I Semester (R17) Regular – 2017 Admitted Batch End Examinations - January - 2018				
	EEE (Advanced Power System)	ME (Thermal Engineering)	ECE (Systems and Signal processing)	CSE (Computer Science & Engg.)	MET (Material Science and Technology)
18-01-2018 Thursday	Microprocessors & Microcontrollers	Optimization Techniques & Applications	Coding Theory and Applications	Advanced Data Structures	Engineering Materials and Structures
20-01-2018 Saturday	HVDC Transmission	Advanced Thermodynamics	Transform Techniques	Computer Networks	Advanced Metallurgical Thermodynamics
22-01-2018 Monday	Power System Operation and Control	Advanced Heat & Mass Transfer	Advanced Digital Signal processing	Advanced UNIX Programming	Mechanical Behavior of Materials
24-01-2018 Wednesday	Reactive Power Compensation & Management	Advanced Fluid Mechanics	Digital Data Communications	Data Base Management Systems	Materials Characterization and Evaluation
27-01-2018 Saturday	Elective – I Electrical Distribution Systems	Elective – I Renewable Energy Technologies	Elective I Statistical Signal Processing	Advanced Operating Systems	Elective – I Advances in Iron and Steel Making
29-01-2018 Monday	Elective – II Generation & Measurement of High Voltages	Elective – II Alternative Fuels Technologies	Elective II Speech Processing	Software Engineering	Elective – II Electrical, Magnetic and Optical Materials
