ABOUT OUR COLLEGE

Jawaharlal Nehru Technological University Kakinada UCEV is founded in the year 2007. University College of Engineering Vizianagaram (UCEV, JNTUK) is one of the constituent Engineering Colleges of JNTUK University playing a significant role since 2007 in imparting technical education in the state of Andhra Pradesh. JNTUK,UCEV is established with seven UG programmes (B.Tech)viz., CIVIL, EEE, ECE, CSE, IT,ME & Metallurgy.The college is rapidly developing with UG and PG programmes in various branches of engineering. It has acquired good reputation among the University Engineering Colleges of Andhra Pradesh in terms of infrastructure, placements and in providing quality technical education within a short span of time and emerging as one of the premier institutions of AP.

ABOUT EEE DEPARTMENT ELECTRICAL AND ELECTRONICS ENGINEERING

Department of Electrical and Electronics Engineering UCEV JNTUK, with UG & PG (advanced Power systems) programmes offers excellent educational opportunities to students seeking a conducive environment to pursue academics. The department has adequate teaching faculty having varied fields of specialization in electrical engineering. The faculty is engaged in live research in the areas of Power Systems Optimization and Adaptive Power System Stabilizers, Hybrid Power Systems Power Electronic and Drives large scale uncertain systems and publishing their research findings in referred journals and conferences.

EclEctique is a national level technical symposium organised by the department of EEE, aimed to bring up the innate skill that one possess and guiding them to a bright future. The word eclEctique itself means skilled group, we believe every person is a seedling nurtured through JNTUK-UCEV to its greater heights.
