Many young girls are facing threats such as acid attacks which became very common in schools and colleges. Daily in newspapers, we encounter many problems that are faced by women based on the issue of dowry and many others.

So, in order to protect themselves from these problems, women must be aware of their rights. So, women empowerment and grievance cell conducted a legal awareness program on **23-10-2017**. The Speaker of the event **Ms. Padmavathi garu, Advocate, Vizianagaram** created awareness for girl students about their rights. ## **WOMEN'S DAY CELEBRATIONS 2K18**

## **THE CELEBRATION OF INTERNATIONAL WOMEN'S DAY 2018**

**If somebody claims that he/she is in favour of sending girls to educational institutions and he will never advocate the idea of a woman going out all alone independently and doing what her heart says, than to be very frank that person is not less guilty than the one who is against sending girls to schools and colleges**

**'LET'S KEEP GOING UNTIL EVERY ONE OF THE 6 MILLION WOMAN AND GIRLS ACROSS WORLD HAS THE OPPORTUNITY SHE DESERVES TO HAVE.**

**Women's economic empowerment refers to the ability for women to enjoy their rights to control and benefit from resources, assets, income and their own time, as well as the ability to manage risk and improve their economic status and well being**

## **INAUGURATION TIME**

**We keep moving forward, opening new doors and doing new things, because we are curious and curiosity keeps leading us down new paths**

**Each day holds a surprise. However, only if we expect it, if can we see, hear, or feel when it comes to us. Let's not be afraid to receive each day's surprise;**

whether it comes to us as sorrow or as the joy it will open a new place in our hearts, a place where we can welcome new friends and celebrate more fully our shared humanity

WE WELCOME OUR HONOURED GUEST IN THE OCCASION OF OUR COLLEGE INTERNATIONAL WOMEN'S DAY CELEBRATIONS CELEBRATED BY OUR WOMEN EMPOWERMENT AND GRIEVANCE CELL
