Every year on March 8, International Women's Day is celebrated to acknowledge woman's contribution to society and life, and everything in between. After years of systematic denial from education and knowledge, Women now are at the forefront in all spheres of life.

The theme for International Women's Day 2019, which will take place on 8 March, is

“Think equal, build smart, innovate for change”.

“A woman is the full circle.

Within her is the power to create, nurture and transform”

~ Diane Mariechild

The Women Empowerment and Grievance Cell of University College of Engineering, JNTUK, VZM celebrated the International Women's Day on this occasion

Smt. Gowtami Sali, DSP, Bobbili Division, Smt. S.Sudha Rani, Scientist, NSTL and Dr.B.Praneetha, MD, Pharmacology are the special invitees.

WEGCell Convener Dr.G.Jaya Suma has given the annual report of Women Empowerment Cell .**Dr.G.Saraswathi, Principal, UCEV, JNTUK** addressed that girls got many opportunities and they are proving their potentiality in getting jobs as equal to boys students. **Smt Gowtami Sali, DSP,** said girls are already powerful and born with a talent. Also, she addressed child abuse and sexual abuse. **Smt. S.Sudha Rani, Scientist, NSTL** shared her views on the role of girl students in technical advancements and encouraged the students to use the opportunities.

Dr.B.Praneetha, MD, Pharmacology highlighted “Poor menstrual hygiene and lack of facilities at schools are some of the major causes of the increasing drop out rates among girls” and she ended her speech with the line *” Educate a woman and you educate her family. Educate a girl and you change the future.”*

In this event, Vice-Principal Dr.Ch.Srinivasa Rao, Heads of Departments, Staff, Girl Students and WEGC student Coordinators were participated and graced the occasion.
