JNTU-GV College of Engineering Vizianagaram (A)

Date: 03-04-2024

Internal Academic Audit Report (AY:2022-2023)

Submitted to the Principal

Sub: Report of Internal Academic Audit 2022-2023 of each department – reg.

Ref: Procs.No.C/JNTU-GV CEV/Academic Audit /2022-2023, Dt: 21-02-2024.

Civil Engineering:

- Most of the students are from the rural areas, they are lagging behind in communication skills.
- Better industry institute interaction is required.
- Growing demand for software courses which is dragging the efficiency in core branches.

Electrical and Electronics Engineering:

- Soft skills and interpersonal skills of the students from rural background need to be improved.
- Short term planning procedures to achieve the goals related to infrastructure and equipment.
- Consultancy projects need to be planned.

Mechanical Engineering:

- Most of the students need to be improved with good communication skills.
- Better industry institute interaction is required.
- Consultancy projects need to be planned.

Electronics and Communication Engineering:

- Students need to be improved with good communication skills.
- Research focus on different specializations is required.
- Skilled human resources are required for Laboratory Learning.
